## NEW BUILD UPDATE

(01<sup>st</sup> June 2017)

Alhamdulillah with your duaas and the support of the Almighty we are finalising in appointing a main contractor to start Phase 1 of our new build. This may take place at the end of Ramadhan or just after depending on contract sign off.

As you have noticed, we have put up hoardings and have already purchased fencing to ensure the site is safe when the construction starts. We still have to purchase the following items and ask your support in this month of Ramadhan to help us meet these costs.

We request for your duaas as we approach in appointing the main contractor that Allah SWT guides us in choosing the best contractor to lead on building the house of Allah.

ITEMS REQUIRED BEFORE START ON SITE	APPROX COSTS
<b>Welfare Unit</b> (Cabins for meeting, office, storage and toilets to meet contractor health & safety requirements).	Office x 1 = £5000.00 Meeting Room x 1 = £5000.00 Canteen x 1 = £5000.00 Store x 2 = £4000.00 Toilet Block x 1 = £2500.00  £21,500.00
<b>Armoured cable and temporary electric supply from current Masjid.</b>	£2500.00
<b>Waterline and connections to containers.</b>	£750.00
<b>Bib taps and weather sockets.</b>	£490.00
<b>TOTAL COST</b>	<b>£25,240.00</b>

- Please note that the above costs are based on quotes and requirements from one of our tenders. Taiyabah Masjid will own the cabins and is deemed to be cost effective to purchase outright rather than to hire as the project is delivered over various stages over a number of years.
